

Fiber Connect Plus TV for government

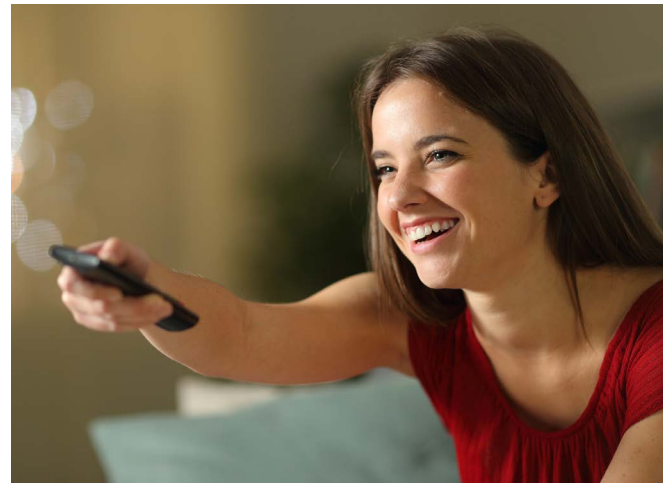

Keep your viewers satisfied by providing a reliable and extensive HDTV service.

Engage, inform and entertain employees and visitors with access to live TV featuring entertainment, news, sports and international channels. With Fiber Connect Plus you can deliver leading HDTV services and choose from over 200 channels in a wide variety of packages to meet any viewing need. Fiber Connect Plus delivers programming directly to your TVs as a standalone service or works well with solutions delivered by video systems integrators.

Product highlights

- **Ensure reliable service:** Experience highly reliable video services with a dedicated and private fiber network connection to your facility.
- **Increase programming options:** Offer your visitors and employees a broad range of programming options, with a wide variety of packages, featuring news, sports, music, entertainment and international language channels to create an outstanding viewing experience. See our programming bundles and packages at enterprise.spectrum.com/channels.
- **Share information:** Insert custom content to communicate and promote your special events, activities and location highlights to keep your visitors and employees informed and involved.
- **Enable integration:** Allow for expanded interactive experiences by working with video systems integrators for a more customized on-screen presentation.
- **Scale for growth:** Enjoy the flexibility of adding channels and packages as organization needs grow.

Backed by local technicians and 24/7/365 U.S.-based support, Spectrum Enterprise can help you confidently meet your entertainment needs. Simplify your vendor management when you partner with Spectrum Enterprise as your single provider for TV, networking and voice services.
