

# Fiber Connect Plus TV for hospitality

Keep your guests entertained by providing a reliable and extensive HDTV service.

Engage, inform and entertain guests with access to live TV featuring entertainment, news, sports and international channels. With Fiber Connect Plus you can deliver leading HDTV services and choose from over 200 channels in a wide variety of packages to meet any entertainment need. Programming is distributed over inside wiring to make a direct connection to the TV, making Fiber Connect Plus ideal for use with video systems integration platforms.

---

## Product highlights

- **Ensure reliable service:** Experience highly reliable TV services with a dedicated and private fiber network connection to your property.
- **Increase programming options:** Offer your guests a broad range of programming options, with a wide variety of packages, featuring news, sports, music, entertainment and international language channels to create an outstanding viewing experience. See our programming bundles and packages at [enterprise.spectrum.com/channels](https://enterprise.spectrum.com/channels).
- **Promote your property:** Insert custom content to communicate and promote your on-site amenities, special events, activities and property highlights to keep your guests informed and involved.
- **Simplify TV delivery and reduce costs:** Reduce additional maintenance costs by connecting directly to TVs, eliminating the need for a set-top box.
- **Enable integration:** Allow for expanded interactive experiences by working with video systems integrators for a more customized on-screen presentation.
- **Scale for business growth:** Enjoy the flexibility of adding channels and packages as viewer needs change and business needs evolve.

## Add-on services

- **Moviebeam:** Pair live TV with video-on-demand and over-the-top applications for hotel guest and concierge services with this comprehensive, interactive in-room technology solution.
- **TV Streaming Access:** Offer viewers live and on-demand video streaming content delivered to personal devices anywhere on your property.

Backed by local technicians and 24/7/365 U.S.-based support, Spectrum Enterprise can help you confidently meet your entertainment needs. Simplify your vendor management when you partner with Spectrum Enterprise as your single provider for TV, networking and voice services.
